Report of Principal and School Improvement Council

North Augusta Middle School had one of the most successful years in terms of student performance on statewide testing. We achieved the goal of receiving the South Carolina State Department of Education Palmetto Gold Award for Student Achievement and the Silver Award for Closing the Achievement Gap. We are proud of the hard work, effort, and dedication put forth by our students, faculty, and staff at North Augusta Middle School.

In an effort to assist our students who needed extra help in the areas of Math and ELA, we created enrichment classes to offer extra time for small group learning in these areas. We incorporated the use of Compass Learning and our Accommodations Lab to help these students improve in these subjects, and feel that the extra semester of focus in these content areas was beneficial for our students.

The students at North Augusta Middle School had many opportunities to excel both in and out of the classroom. Some of these included participation in "Introduce a Girl to Engineering Day", Future City Competition, DAR essay contest, Concert Festival for band students, the Junior Scholar Program, and Geography and Spelling Bees. Our Student Council raised money for Walk for A Cure, Golden Harvest Food Bank, North Augusta Community Christmas Project, and the United Way's Be a Bunny Program.

Under the leadership of our SIC Chairman, Mr. Michael Casdorph, we offered a successful Transition Fair for rising 6th grade students and provided input and support for our students, faculty, and staff. I am honored to have served as Interim Principal at North Augusta Middle School and look forward to the bright future ahead.

Wendy Jacobs, Interim Principal  
Michael Casdorph, SIC Chairman

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
